Do you want to know how COVID-19 impacts the health of people with **Turner Syndrome**?

¿Quisiera usted completar una encuesta sobre COVID y Síndrome de Turner?

Help doctors find out by completing an ONLINE SURVEY

Participants who complete the study will be entered into a gift card raffle.

The survey will take around **30 minutes** and will help researchers understand how COVID-19 affects different health communities. We will study the impact of rare and common disease as well as sociodemographic factors.

To participate, follow this survey link: *(Para participar, siga este enlace)*
https://redcap.link/covid_in_communities

This study is coordinated by NIH scientists: Dr. Beth Kozel (NHLBI), Dr. Robert Hufnagel (NEI), and Dr. Tiffany Powell-Wiley (NHLBI) in collaboration with numerous NIH physicians/researchers, and community advocacy groups, including the Turner Syndrome Foundation.
