

# Enhancing Implementation of Guidelines and Evidence-based Care in Clinical and Community Settings (ENGAGE) Workshop

## **DRAFT Agenda**

Day 1, October 16, 2023, 11:00 AM to 4:30 PM ET

Day 2, October 17, 2023, 11:00 AM to 4:15 PM ET

Virtual Meeting

<b>Day 1 – October 16, 2023</b>	
11:00 AM– 11:10 AM	<b>Welcome Remarks</b> <i>George Mensah, NHLBI</i>
11:10 AM – 11:20 AM	<b>Overview of Workshop Agenda, Goals and Objectives, Key Questions</b> <i>Rebecca Roper, NHLBI, Co-chairs Deonni Stolldorf, Vanderbilt University &amp; Michele Balas, University of Nebraska Medical Center</i>
<b>PANEL 1: Examples of Programs, Approaches, Frameworks That Can Enhance Guidelines Implementation</b> <b>Moderator: Rebecca Roper, Co-moderator: Deonni Stolldorf</b>	
11:20 AM – 11:40 AM	<b>Adapting Clinical Guidelines for the Digital Age</b> <i>Maria Michaels, Centers for Disease Control and Prevention (CDC)</i>
11:40 AM – 11:55 AM	<b>Implementability Framework</b> <i>Monika Kastner, University of Toronto</i>
11:55 AM – 12:10 PM	<b>How Can the Grading of Recommendations Assessment, Development and Evaluation (GRADE) Framework Bridge the Gap Between Guideline Development and Guideline Implementation?</b> <i>Shahnaz Sultan, University of Minnesota, Veterans Affairs</i>
12:10 PM – 12:25 PM	<b>Panelists Discussions</b>
12:25 PM – 12:35 PM	<b>Break</b>
<b>PANEL 2: Results From Studies Focused on Implementation of Guideline Concordant Care in Clinical or Community Settings</b> <b>Moderator: Yuki Lama, Co-moderator: Michele Balas</b>	
12:35 PM -12:45 PM	<b>Prone Positioning in COVID-19 ARDS: Harnessing the Momentum Of Rapid Practice Change</b> <i>Chad Hochberg, Johns Hopkins University</i>
12:45 PM -12:55 PM	<b>Practical Ways to Implement Asthma Guidelines in Primary Care</b> <i>Tyra Bryant-Stephens, Childrens Hospital of Philadelphia (CHOP)</i>
12:55 PM -1:05 PM	<b>Improving Implementation of Guidelines for Stroke Prevention in SCD Using a Multi-level Intervention: Results from the DISPLACE STUDY</b> <i>Julie Kanter, University of Alabama</i>
1:05 PM -1:15 PM	<b>Implementation of Hybrid/Remote Pulmonary Rehabilitation</b> <i>Joseph Finkelstein, University of Utah</i>
1:15 PM- 1:35 PM	<b>Panelists Discussion</b>
1:35 PM – 2:05 PM	<b>Lunch Break</b>

## Day 1 – October 16, 2023

**PANEL 3: How Can Digital Platforms Be Used to Address the Research Gaps/Practical Barriers to Successfully Implementing Guidelines? Enhance Approaches Associated with Improved Health Outcomes? Improve Dissemination of Guidelines?**

**Moderator: Shahnaz Khan, Co-moderator: Deonni Stollendorf**

2:05 PM -2:15 PM	<b>Reimagining National Dissemination Platforms to Improve Clinical Practice Guidelines Uptake and Use</b> <i>Mary Nix, Agency for Healthcare Research and Quality</i>
2:15 PM -2:25 PM	<b>Exploring Barriers &amp; Facilitators to Optimize Stroke Prophylaxis of Acute Atrial Fibrillation with an Electronic Clinical Decision Support Tool: A Stepped Wedge Cluster Randomized Trial</b> <i>Bory Kea, Oregon Health Science University</i>
2:25 PM -2:35 PM	<b>Implementation of Digital Interventions to Enhance Family Engagement and Empowerment in the Intensive Care Unit</b> <i>Leanne Boehm, Vanderbilt University</i>
2:35 PM – 2:45 PM	<b>Advancing care for COPD in people living with HIV by implementing evidence-based management through proactive E-consults (ACHIEVE)</b> <i>Kristina Crothers, Veterans Administration, University of Washington</i>
2:45 PM – 3:05 PM	<b>Panelists Discussion</b>
3:05 PM – 3:15 PM	<b>Break</b>
<b>PANEL 4: How Can Strategic Early Engagement of Partners/Community Engagement Facilitate Uptake and Use of Clinical Practice Guidelines?</b>	
<b>Moderator: Karen Plevock Haase , Co-moderator: Michele Balas</b>	
3:15 PM -3:25 PM	<b>Engaging Rural Community Pharmacies in Practice-based Research: Lessons Learned From RURAL-Community Pharmacies</b> <i>Delesha Carpenter, University of North Carolina</i>
3:25 PM -3:35 PM	<b>Multisector Community Engagement to Improve Cardiovascular Health Among South Asian Immigrants</b> <i>Namratha Kandula, Northwestern</i>
3:35 PM -3:45 PM	<b>Engaging Community Primary Care and Patients in Identifying Solutions to Pediatric Blood Pressure Guideline Implementation</b> <i>JD Smith, University of Utah</i>
3:45 PM -3:55 PM	<b>Social Determinants of Health Among African Americans Communities</b> <i>Cheryl Woods Giscombe, University of North Carolina</i>
3:55 PM -4:15 PM	<b>Panelists Discussion</b>
4:15 PM – 4:35 PM	<b>Day 1 summary and Overview for Day 2 ( Drs. Balas and Stollendorf)</b>
4:35 PM	<b>Adjourn Day 1</b>

## Day 2 – October 17, 2023

11:00 AM – 11:20 AM	Recap from Day 1; Instructions for Break-out Groups (Rebecca Roper; Drs. Balas and Stolldorf)
Move To Assigned Break Out Rooms	
11:20 AM – 1:00 PM	Guided by the Key Questions, discuss further, explore the material presented across the four panels from the first day
1:00 PM – 1:30 PM	Lunch Break
1:30 PM – 3:30 PM	Reconvene full group. Share Summaries From Break Out Groups to Full Group  Discuss Identifying themes, Major Gaps/Priority Areas, and Potential Research Approaches to Address Them
3:30 PM - 4:00 PM	Major Takeaways (Drs. Balas and Stolldorf)
4:00 PM - 4:15 PM	Next Steps and Wrap Up (Rebecca Roper)
4:15 PM	Adjourn Day 2

### ENGAGE Key Questions:

1. How can successful programs, approaches, and frameworks be leveraged to develop implementation strategies for delivering guideline concordant care in clinical and community settings?
2. How can enhanced implementation and dissemination of guidelines reduce health disparities in various settings?
  - Are there differences in rural versus urban, community versus clinic settings, etc.?
  - How are practice variations best addressed to improve health disparities so everyone who is “guidelines eligible” is referred to and/or receives recommended care?
3. What are the implications in a post-COVID era for approaches to enhancing guidelines-based care uptake and utilization, for example, expanded use of telehealth, hybrid programs, etc.?
4. How can digital health platforms be used to enhance guidelines dissemination and implementation at patient, provider, systems/organizational levels (for example, clinical decision support, behavioral nudges, etc.)?
5. How can we best ensure acceptability and adaptations for cultural appropriateness via strong community engagement to facilitate uptake and use of CPGs? How to include patients, caregivers, families?
6. What is working well/what are the gaps in current strategies in dissemination of evidence-based practices? Who are guidelines dissemination partners?
7. What are the intrinsic factors related to guideline development that facilitate use of the guideline recommendations?
