

Workflow for Reliance on CDS-IRB for Review of Secondary Research Proposals

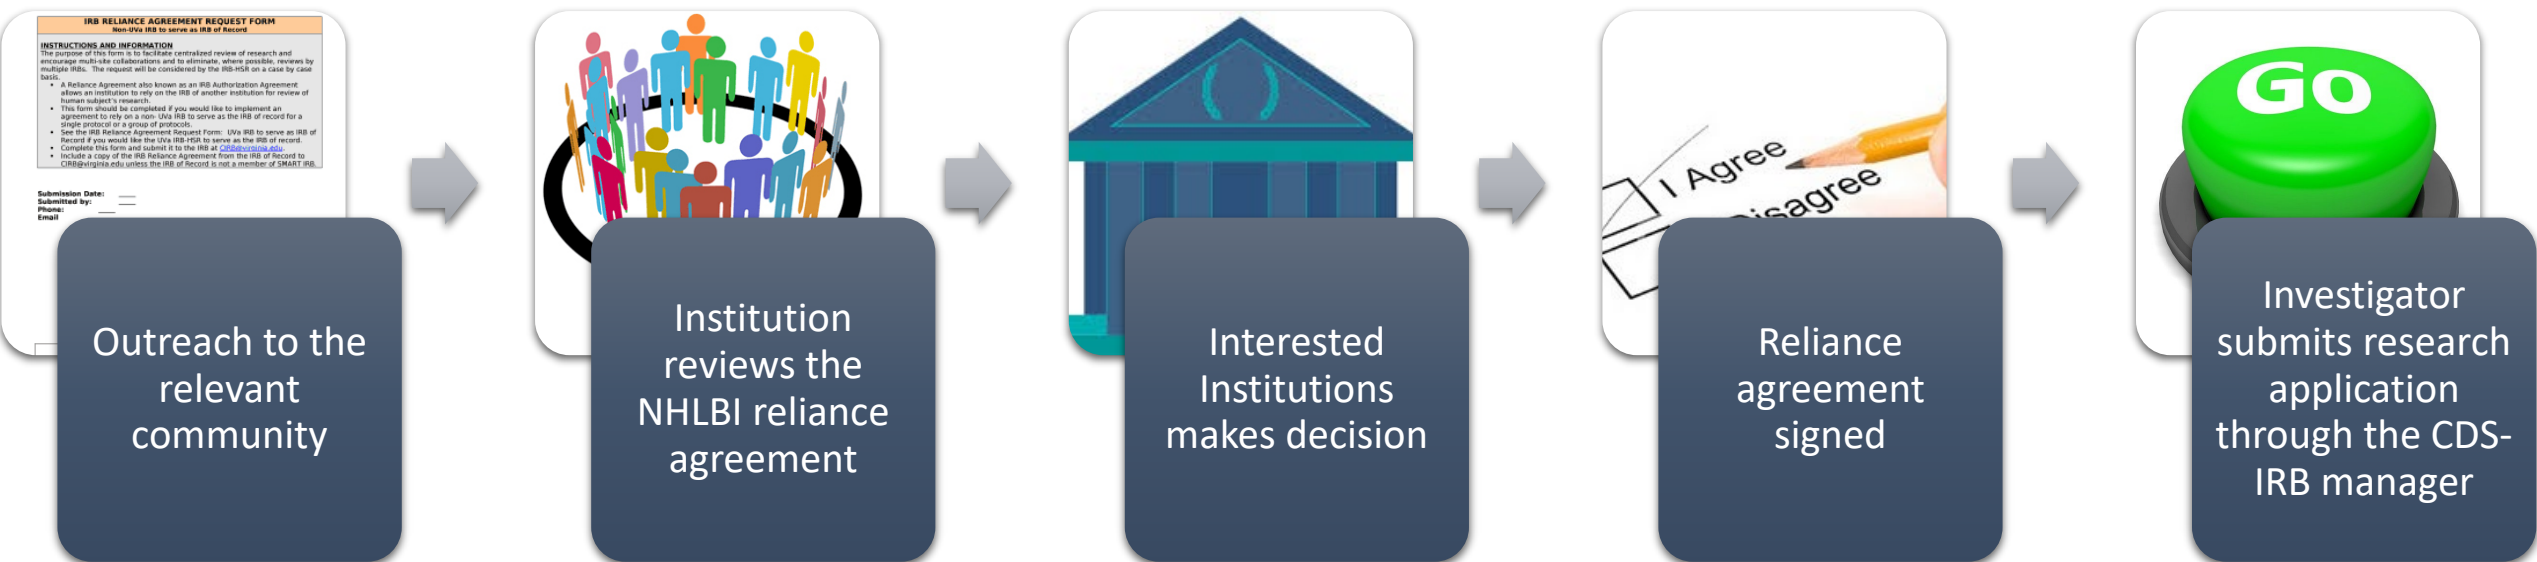

Institution can rely on CDS-IRB for reviewing research applications for secondary analyses. The reliance agreement can be signed either:

- Through the SMART IRB reliance agreement
- Through the NHLBI reliance agreement

The following slides delineates the steps that needs to be taken to complete the process

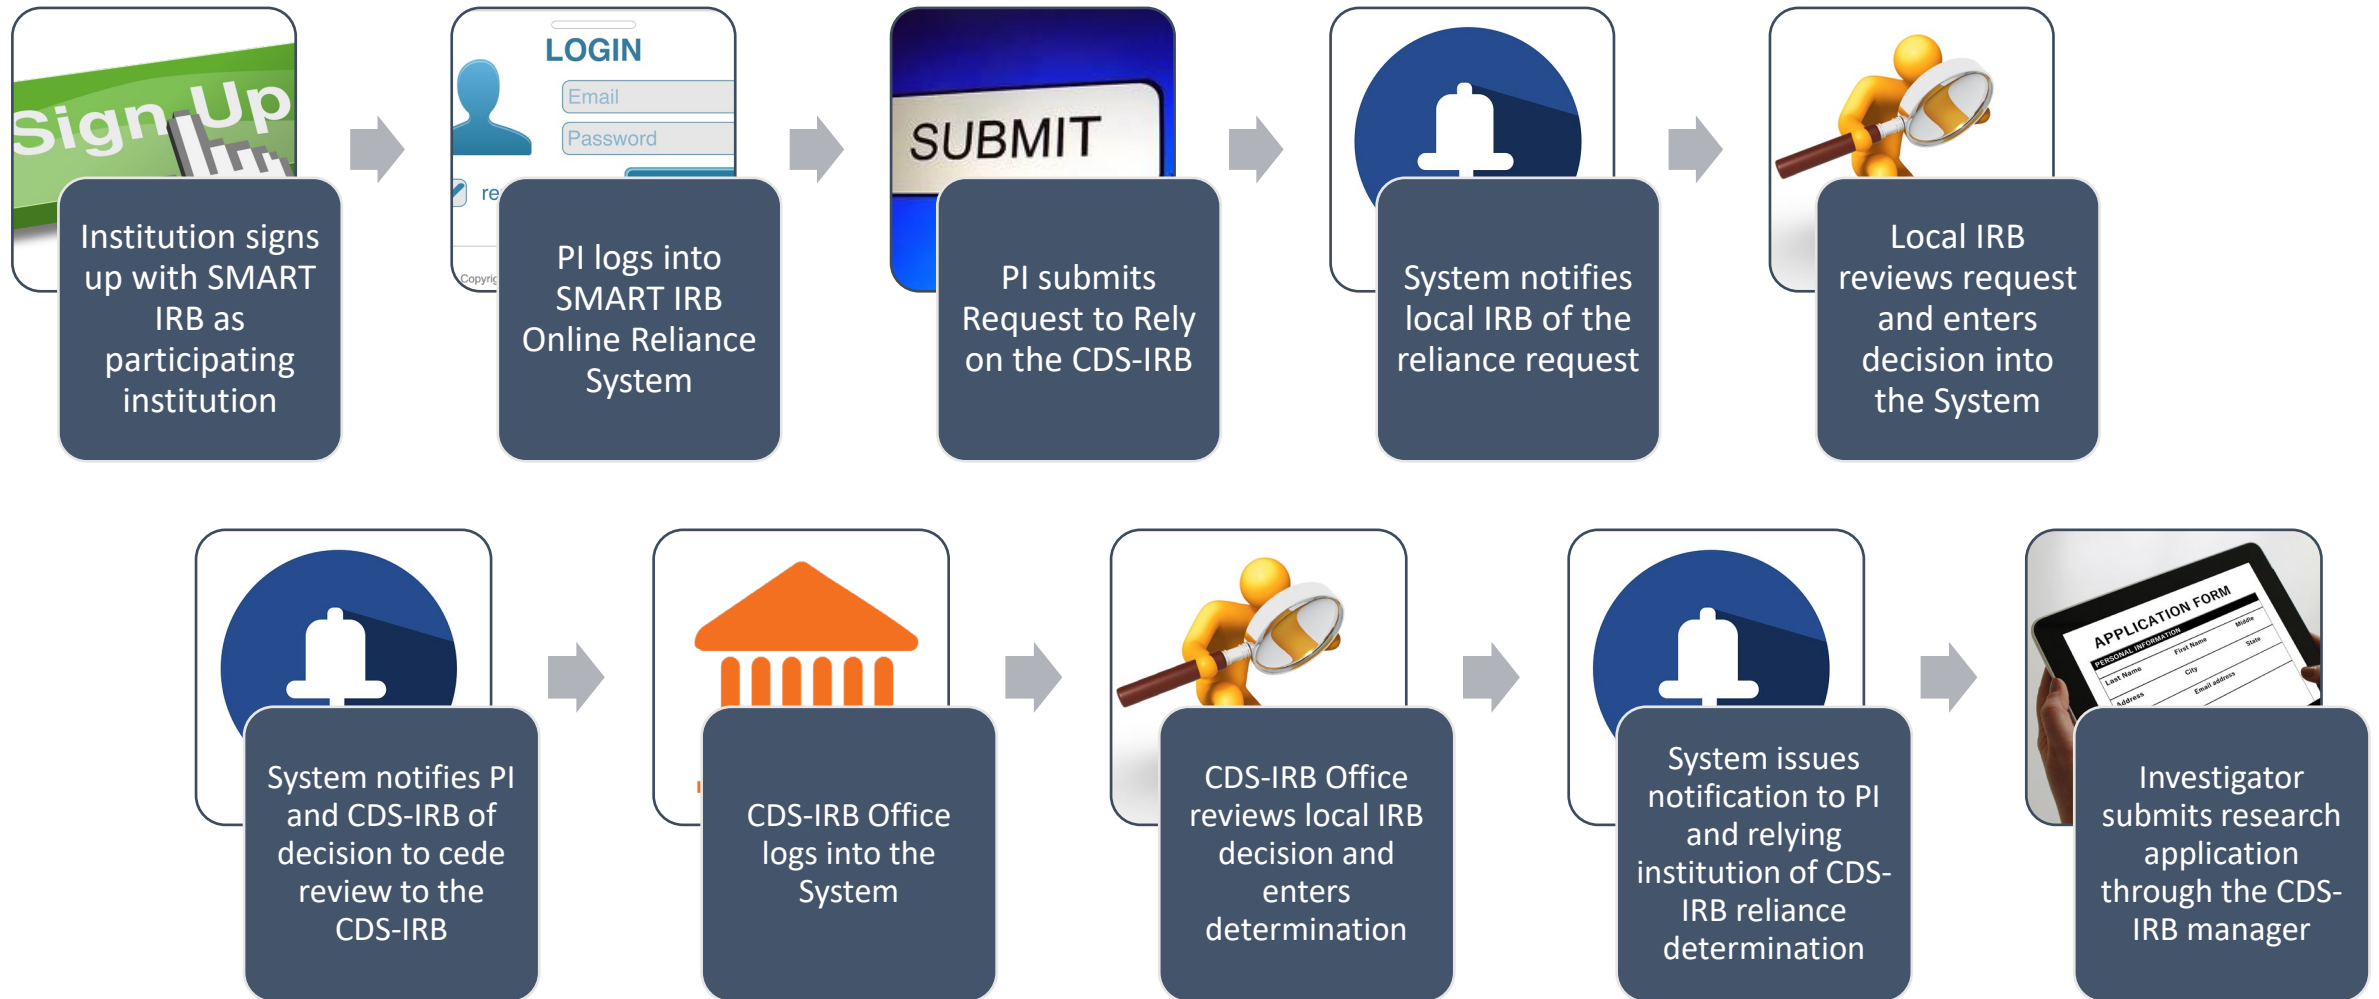

Process for Obtaining Reliance Agreement with CDS-IRB

NHLBI Reliance Agreement - Option 1

Process for Obtaining Reliance Agreement with CDS-IRB

SMART IRB Reliance Agreement- Option 2A

Process for Obtaining Reliance Agreement with CDS-IRB

SMART IRB Reliance Agreement- Option 2B (LoA)
